PROFILE

"I'm a seasoned web developer in creating user-friendly and visually appealing websites. I specialize in utilizing HTML, CSS, JavaScript, and frameworks like React to craft cutting-edge solutions that exceed client expectations and drive online success."

WORK EXPERIENCE

TF Strategies Pvt., Ltd.   2024- PRESENT
Web Development

I'm delving into advanced frameworks like Next.js 14 and React to enhance my skills. Next.js 14 offers cutting-edge features for server-side rendering and seamless routing, empowering me to build dynamic and efficient web applications. Paired with React, I'm mastering the creation of interactive user interfaces with reusable components, state management, and virtual DOM optimization.
